10. A resume must be part of your application. It should include all scholarships, honorary societies, awards, engineering or scientific student leadership roles, and any other relevant recognition that you have received since entering college whether academic, non-academic or extracurricular. Include any fellowship that you hold at the time of submission of this application. The resume should also include any research projects that you have worked on, research publications on which you are author or co-author, and presentations.

11. In a concise essay, identify the specific objectives of your educational program, your intended research focus, how you expect to benefit from the Space Grant Fellowship, and your long-range professional goals. Be as complete and as specific as you can, addressing each of these issues. This essay will be an important factor in the selection process. Also include information about any research program in which you may have been involved, and your role in that program. Your essay is to be a **maximum of two pages** in length. Include your name at the top of each page, sign the essay, and attach it to this form.

---

*I certify that all above information is correct.*

Signature of Applicant \_\_\_\_\_ Date \_\_\_\_\_

Send or deliver this application, including your resume, essay, official transcript(s) of your undergraduate and previous graduate work, and **two** completed recommendation forms (in sealed envelopes), to the Ohio Space Grant Consortium Campus Representative at the member university where you intend to pursue your studies.
